**ITEM 2. Matters of Interest to Commissioners:**

A. District Extension Director Clinton McRae introduced new Cooperative Extension Director Ryan Harrelson. Mr. Harrelson is a resident of Bladen County and has been a North Carolina Cooperative Extension agent in Bladen County for the last five years. The appointment is effective March 1, 2011.

B. Commissioner Peterson delivered the following State of the County Address:

**State of the County Address**

Bladen County Citizens:

I am pleased to report to you on the state of Bladen County. County government plays an important role in the lives of our citizens and 2010 has been a productive year for Bladen County with the completion of important projects and initiatives.

I would like to take a moment to offer a special thanks to Commissioner Billy Ray Pait for the fine job he did chairing this Board for the past two years. In the two months that I have served as Chairman, I have developed an even greater appreciation for the responsibility associated with this position.

The Board of Commissioners, County staff and the many citizens who serve on advisory boards, and in other capacities, have worked together to achieve a number of accomplishments during the past year.
February 7, 2011

The Bladen County Revenue Department now offers an online option for payment of property taxes. This service enhancement utilizes technology to provide much greater convenience for our citizens.

Bladen County Emergency Medical Services relocated in December to a new facility in the Elizabethtown Airport Industrial Park. This newly constructed building was funded with federal stimulus dollars and provides much needed additional space for the EMS operation. This facility is also equipped to serve as an alternate 911 Communications Center in the event that the Central Communications Center in the Courthouse would need to be temporarily relocated.

Bladen County Solid Waste continued its outstanding recycling efforts and received a first place award from the North Carolina Pesticide Board for being a leader in the recycling of pesticide containers. The award included a $2,000.00 cash prize to further enhance recycling efforts in Bladen County.

The Bladen County Water District completed a major expansion project known as Phase III-A. This approximately $4.8 million project included two new production wells, an elevated storage tank, and forty-six miles of water lines located primarily in the Council and Bladenboro communities. The Water District has also been awarded approximately $7 million from USDA Rural Development for the development of the District’s upcoming expansion project, Phase III-B. This project will provide an estimated thirty-five miles of water lines on the north side of the Cape Fear River, primarily in the Ammon, Hickory Grove and Murphy town communities.

The Board of Commissioners demonstrated its continued commitment toward education this past year with a $500,000.00 increase in the Current Expense appropriation to Bladen County Schools. The Board also authorized a referendum regarding a proposed .25% Sales Tax increase which would have generated an estimated $350,000.00 per year to be dedicated for Bladen County Schools. However, this initiative was not approved by the voters in November.

The Bladen County Board of Elections and staff continued the tradition of providing a very professional elections process in 2010. Three very active elections were conducted during the year, including a Primary, Run-off, and General election. Bladen County is fortunate to have a culture of professionalism in this important County service.

The Bladen County Building Inspections staff performed inspections for 38 new houses and 151 mobile homes, in addition to commercial and other projects throughout the county. The Department collected $152,486.30 in permit fees for projects with a total construction value of $24,225,706.00. We are fortunate to have a professional staff of three inspectors, each of whom holds unlimited certification in all trades.

Bladen County Public Library experienced a significant increase in traffic during the past year. The door count at the three Library facilities increased by 12.8% and program attendance increased 23.9% over 2009. Additionally, the Library’s goal for 2010 was to increase public use of computers by 5%, while the actual increase was 135%! The Library staff has also been productive in obtaining grant funding for special projects. A $5,000.00 grant was received from the North Carolina Arts Council to bring author Tananarive Due to the 2010 Beast Fest in Bladenboro. And, a $1,000.00 grant from the North Carolina Humanities Council funded a five session Let’s Talk About It book discussion.

Bladen County and Cape Fear Valley Health System are now in the third year of the Lease Agreement of Bladen County Hospital and this continues to be a positive relationship for both organizations. Cape Fear Valley has made much needed facility improvements and technology upgrades at Bladen County Hospital. Also, a Hospitalist program has recently been implemented in an effort to provide an increased level of patient care and to enable primary care physicians to focus more on their practices. We are currently in discussion and negotiation with Cape Fear Valley Health System regarding a new agreement that will hopefully lead to a new Hospital facility in Bladen County in the not too distant future.

The Bladen County Economic Development Commission continues to work diligently with new and expanding industries. Governor Purdue was the keynote speaker at a groundbreaking ceremony held in August for DuPont Corporation’s new PVF Unit. This project expansion includes twenty new jobs, an investment of approximately $60 million, and helps to increase DuPont’s important presence in Bladen County.

During this past year, more than one hundred Bladen County citizens worked together on a planning process related to Golden LEAF’s Community Assistance Initiative. Citizens determined priorities in areas related to Education, Job Creation and Space Utilization. These citizens are to be commended for the time and effort they put forth for the benefit of our county. Ultimately, in October, Golden LEAF allocated over $2 million for the following projects:

- Bladenboro Spec Building Upsize $239,160.00
- Cape Fear Farmers Market in Elizabethtown $400,475.00
- Economic and Workforce Development Training $215,100.00
- Equipment Leasing and Financing for Small Businesses $115,000.00
- Facility Needs for Bladenboro Historical Society, Inc. $273,700.00
- Bladen County Schools Technology Project $800,000.00
February 7, 2011

The Board of Commissioners is committed to providing ethical leadership to our citizens. During the past year, county commissioners and employees participated in Ethics training in an effort to become more conscious of potential ethical concerns and to make wise decisions in the conduct of County business.

2010 has been a productive year – thanks to the dedication and hard work of many individuals. We are fortunate to have a great team of elected officials, staff and volunteer citizens who work so well together for the betterment of Bladen County.

In looking ahead, budget challenges are expected to be increasingly difficult this year at the federal and state levels, which can largely impact an already difficult budget situation at the County level. Difficult decisions may be required. However, we will continue to aggressively pursue economic development projects and continue to work cooperatively “to provide customer focused County services efficiently and responsibly.”

Sincerely,
Charles Ray Peterson, Chairman
Bladen County Board of Commissioners

ITEM 3. Individuals/Delegations Wishing to Address Commissioners:
- Kenneth M. Register, Jr., appeared before the Board regarding the billboard located on Highway 701 North of Elizabethtown on property owned by Buddy Strickland. Mr. Register stated that there are in excess of 30 billboards on Highway 701 North of Elizabethtown. He asked that all property owners be notified of the 2003 Zoning Ordinance, which regulates billboards.

ITEM 4. Consider Approving Requests to Fill Vacant Positions:
A. Upon a motion by Commissioner Smith seconded by Commissioner Gooden, the Board approved to table the Requests to Fill Vacant Positions until the Board meeting on February 21, 2011.

WHEREAS, Engineers have developed Phase III-B Final plans and specifications consistent with
NOW, THEREFORE, BE IT RESOLVED, that the Bladen County Water
District Board of Directors approves the final engineering plans and
specifications consistent with the County Resolution 15-09 proposed by Hobbs, Upchurch & Associates,

Adopted the 15th day of January, 2011

Bladen County Board of Commissioners

Commissioners asked Mr. Garner about citizens concerns regarding discolored water in the Lisbon and Center Road communities. Mr. Garner and Mr. Kiker discussed efforts being made to address the issue.
C. Upon a motion by Commissioner Tatum, seconded by Commissioner Pait, the Board exited session as the Bladen County Water District Board of Directors.

ITEM 6. Advisory Board Appointments:
A. Bladen County Airport Appeals Board – Chairman Peterson opened the floor for nominations to the Bladen County Airport Appeals Board. Commissioner Pait, seconded by Commissioner Tatum nominated Jack McDuffie for reappointment. Commissioner Priest, seconded by Commissioner Gooden nominated Steve Willis for appointment. Hearing no further nominations, nominations were closed. Steve Willis was appointed by a vote of 5 Ayes (Russell Priest, David Gooden, Mark Gillespie, James G. Smith and Charles Ray Peterson) to 4 Ayes for Jack McDuffie (Billy R. Pait, Lewis Tatum, Daniel Dowless and Delilah Blanks).

B. BRAC Regional Task Force Board: Upon a motion by Commissioner Smith seconded by Commissioner Priest, the Board voted to table the appointment until the Board of Commissioners meeting following BRAC presentation at the Municipal County Association of Bladen meeting on February 22, 2011.

C. Bladen County Library Board: Upon a motion by Commissioner Blanks, seconded by Commissioner Gillespie, the Board approved to accept the resignation of Ms. Louella Rogers Street and to appoint Keith Willis to fill the unexpired term of Ms. Street with an expiration date of December 31, 2011.

ITEM 7. Solid Waste (General Services Manager Robert Mazur)
General Services Manager Robert Mazur and Solid Waste Supervisor Steve Melson appeared before the Board and provided the following Plan of Action to address the concern regarding trash on Mercer Mill Road, Elizabethtown:

---

**Update on Plan of Action & Preventive Measures**

1. Kitchen County Solid Waste adopted Mercer Mill Road in July 2010 thru NCAC Adopt-A-Highway Committee in order to be responsible for maintaining vegetation. Masonry, concrete and other materials from the former Route 312 Bridge where deposited on Mercer Mill Road.

2. Bladen County Solid Waste and Highway Department have surveyed the site and have recommended the removal of the materials and vegetation.

3. Bladen County Solid Waste will conduct a mapping survey to identify all materials and vegetation on the site, including the amount of material.

4. The Board of Commissioners and the NCAC are still working on a resolution to seek funding for the removal of the materials and vegetation.

5. At this time, the materials and vegetation are being kept under control. The area is being mowed and kept clean until funding is secured.

Chairman Peterson thanked Mr. Mazur and Mr. Melson and requested that they continue to be proactive and work with the city of Elizabethtown and submit an update regarding the trash concern to the Board within the next month. It was also requested that “no littering” signs be placed on Mercer Mill Road.
February 7, 2011

ITEM 8. County Manager: (Greg Martin)

A. Mr. Martin reviewed the calendar for upcoming events.

B. The Board received a request regarding the relocation of the Salter Family monument that now sits on the lawn of the Bladen County Courthouse to the downtown sidewalk area. Upon a motion by Commissioner Dowless, seconded by Commissioner Tatum, the Board approved to table the request until a history of the monument could be provided.

C. The Board received a request from the town of Elizabethtown regarding the following Memorandum of Understanding:

Memorandum of Understanding
January 12, 2011

Whereas the Town of Elizabethtown has as a part of the Comprehensive Plan to install sidewalks on the north side of Highway 49; and
Whereas the Town needs to relocate existing sidewalks from broad streets to bring them to the area to allow the installation of underground conduit and to remove obstructions; and it’s seen necessary to support the new sidewalks;

The Town in order to facilitate the utility improvement said sidewalks and new sidewalks will need to be partially relocated onto the property of Bladen County, and

In order to allow this mutually beneficial utility upgrade to proceed, the Town of Elizabethtown and the County of Bladen do hereby agree to the following as part of this Memorandum of Understanding dated 1/12/2011:

1. All lighting & underground conduit installed will be located on the property of the Town
2. The Town of Elizabethtown will be responsible for the maintenance & upkeep of the lights installed & will maintain those to good working order
3. The Town will be responsible for all the costs associated with the project to include installation & purchase of the lights & supporting utilities, as well as the demolition & replacement of the sidewalks
4. The Town does not receive any compensation from said project & will make every reasonable effort to make sure each is done on time. Contractor (Town contract) is fully insured and bonded.
5. The Town will maintain the new sidewalks as it has done in the past, through the new sidewalks may be partially on property of Bladen County.

Upon a motion by Commissioner Gillespie, seconded by Commissioner Palt, the Board approved the request to include a Release of Liability Agreement with the Town.

D. Upon a motion by Commissioner Smith, seconded by Commissioner Dowless, the Board approved a request from Bladen Area Rural Transportation Service to Update the Community Transportation Service Plan, with Bladen County funding approximately ten (10%) percent of the cost.

Mr. Martin provided the following updates:

E. Medication Assistance Program is pending approval of a request to fill the Senior Center Director position.

F. Budget Committee is scheduled to meet on February 28, 2011.

G. Jail/District Attorney Committee met and will meet again in the near future.

H. Zoning Committee met on February 3, 2011 to review the Zoning Ordinance. He reported that the committee was pleased with its findings and would provide more information during the public hearing scheduled for February 21, 2011.

Commissioner Smith stated that he had received requests from two areas in the County regarding the costs and process to place a community sign in their area. Mr. Martin will contact the Department of Transportation.

Commissioner Smith stated that a community prayer service is held the first Monday of every month at 8:15 a.m., in the Commissioners meeting room of the courthouse. He requested that the service be placed on the Calendar and announced in the Department Head Meeting.
February 7, 2011

Chairman Peterson requested that the Department of Transportation be contacted requesting a sign to be erected on Highway 87 near Ben Greene Industrial Park Drive at the entrance to the new EMS building. As a safety measure that caution motorists about the possibility of emergency vehicles entering the highway.

Upon a motion made by Commissioner Smith, seconded by Commissioner Gooden, the Board entered Closed Session in accordance with N.C. G. S. 143-318.11(a)(3) Attorney-Client Privilege (5) Acquisition of Real Property.

Upon a motion by Commissioner Smith, seconded by Commissioner Priest, the Board exited Closed Session and re-entered Open Session.
