Killingsworth to request a transfer of $50,000.00 from capital outlay to the current expense account. These funds will be used to provide additional security through the Sheriff’s Department at both high schools for the remainder of the school year due to the recent shooting incident that occurred at West Bladen High School. Upon a motion by Charles Peterson, seconded by Daniel Dowless, the Board approved the request.

Mr. Lloyd L. Breckenridge appeared before the Board to express his concern with the recent actions of Commissioner Delilah Blanks. Mr. Breckenridge stated that he was a thirty (30) year veteran of the Marine Corps serving in Korea and Viet Nam and took an oath in 1951 to uphold the Constitution of the United States. His purpose in appearing before the Board was two-fold: (1) Receive a public apology from Ms. Blanks, particularly for District 1; (2) ask for Ms. Blanks’ resignation.

ITEM 4. Planning Department: (Greg Elkins, Director)
A. Public Hearing regarding Request to Rezone PIN # 131000579361.
   Chairman Pait declared the Public Hearing Opened and asked the public to offer comments.

   Greg Elkins administered an Oath to Giles Clark, David Clark, Faye Collins and Dorothy Hamblick.

Giles Clark spoke of the Clark family using the land exclusively for agricultural and forestry purposes for more than seventy years. Recent times have seen substantial changes taking place with traditional land usage and this is true for this property and its surrounding area.
David Clark concurred with comments of Giles Clark and respectfully requested that the change of zoning classification be approved.

Faye Collins advised the Board that she was a homeowner adjacent to the property and was concerned if her taxes would increase. Tax Administrator Chris Ellis addressed her concern and advised that there would not be an adjustment to her property taxes at this time. However, during the re-evaluation of property scheduled for 2015 she may see an increase in her property value.

Dorothy Hamblick advised the Board that she owned property adjacent to the Clark property and has experienced problems with surveyor Lloyd Walker in which the land owned by Pleasant Grove United Holiness Church was surveyed and deed changed in 1988. She advised that the Church wanted the land back.

Hearing no further comments, Chairman Pait declared the Public Hearing closed.

B. Upon a motion by Charles Ray Peterson, seconded by David Gooden the Board approved the Rezoning of PIN# 131000579361 from Residential Agriculture (RA) to Commercial (C) as it is consistent with the adopted 1999-2010 Bladen County Land Use Plan and the rezoning request is reasonable; and the rezoning request is in the public interest.

Commissioner Tatum commended the Board for its action in approving the request to rezone the property. He further stated that he hoped the Elizabethtown Town Council would change the zoning on adjacent properties on the 87 by-pass to encourage growth in order to create more jobs and increase the tax base.

C. Greg Elkins introduced Grace Lawrence, WLPP Program Director. Ms. Lawrence requested the Commissioners to endorse the Bladen County Working Lands Protection Plan. The Board was advised that there were farmers from Bladen County on the Committee that had reviewed the Plan. Upon a motion by Lewis Tatum, seconded by Delilah Blanks, the Board endorsed the Bladen County Working Lands Protection Plan.
