COMMUNITY RECREATION ASSISTANCE FUND

Maximum Available For Facility Development.....	\$500.00	(Tangible Assets)
Maximum Available For Active Sports Equipment.....	\$300.00	(Support Items)

ELIGIBILITY

Community groups that have organized leadership for active sports programs are eligible. Each community group must have an active Recreation Advisory Board that supervises the actions of the group, consisting of a Chairman and at least three (3) members. Groups must also possess and submit a documented recreation plan for utilization of proposed funds. Funding is available for programming for ages 17 and under, ONLY.

PARTICIPANTS RESPONSIBILITY

The participant is expected to initially pay in full all costs incurred during the project period. The participant, upon the presentation of a billing to the Bladen County Parks & Recreation Department, will then be reimbursed for 50% of the eligible cost represented by that billing. Equipment must remain available for recreational use for five (5) years or its useful life. All Facility development must remain open for a minimum of eight (8) years. Facilities must be available for public use, during normal hours, with no discrimination regardless of race, color, sex or national origin. Groups must be responsible for maintenance of equipment and facilities. If program is terminated before useful life of equipment of facility has expired, it shall revert back to Bladen County Parks & Recreation Department and become property of the County 100%. All development projects must be complete within three (3) months of award date.

SPECIAL INSTRUCTIONS

Applications may be filed annually until approved. No individual or group may be awarded grants in two consecutive years.

If an application is filed for a specific group in one (1) year, an application may not be filed the next year representing a different faction.

Funds may not be utilized for passive recreational programming. Funds are intended for usage in active sports programming specifically for children.
